The objects of the Association was primarily to provide a common forum for practitioners engaged or connected and interested in Income Tax, Accounts, Company Law, GST and other allied Laws, to work for mutual benefit and to encourage and advance mutual understanding and social contacts among them. The object has been further extended to prepare a platform for new practitioners in the profession so that they can extend their knowledge in the relevant fields and make the platform beneficial for fellow professional corporates, trade, business and society in general.
